

# PRICES AND PAYMENT

For all Catalan public universities, the Generalitat de Catalunya annually sets the price of official studies, through the publication of a decree that determines the public prices of academic services according to the degree of teaching structure attributed to each teaching.

Students at affiliated schools should consult the information regarding the prices and payment of tuition at the Secretariat of your center.

#### **5 - Payment by PayPal:**

This means of payment can only be used by students living in countries which are not part of the European Union and without a bank account number adapted to the SEPA rules.

## **HOW TO PAY BY DIRECT DEBIT**

To arrange direct debit payments, students must give the bank account details in the respective section of the registration.

You must submit to the Secretariat of the centre, within a period of 10 days from registration, a direct debit mandate (SEPA) signed by the account holder authorising the charge.

You can send this documentation preferably through the [online office](#) [ <https://seuelectronica.udl.cat/registreelectronic.php> ]. You must use the form for submission of documentation you will find there (choose your profile on student: foreign, UdL student). Web site only in Catalan and Spanish. You can send it by post to center address; in person, requesting for an appointment; or by e-mail if it has not been possible to use any of the other ways .

The registration bill, whether issued in person or using the self-registration system, shall serve for notification purposes.

Registration fees that, for whatever reason, have to be paid outside payment in instalments and after the third instalment set out in point 3, must be paid through the Receipt Management application, through online payment by card or with a non-direct debit receipt at any of the banking entities indicated in the collection document.

Bank account details for direct debit payment can be amended by using form M2 ([online office](#) [ <https://seuelectronica.udl.cat/registreelectronic.php> ]), which must be submitted to the secretariat of the centre at least fifteen days before the second or third payment deadline. The application must be accompanied by a new SEPA direct debit mandate signed by the account holder.

## **PROCEDURE AND EFFECTS OF NON-PAYMENT OF THE REGISTRATION FEE**

If the University cannot collect the full or partial amount of the registration fee via the bank account specified by the student or any other means of payment, it will notify the student of the situation and issue a second invoice for payment in cash, applying the following surcharges to the outstanding amount of the fee:

- From the due date and up to two months, a 5% surcharge.
- From two months up to four months, a 10% surcharge.
- From four months, a 15% surcharge.

Students must pay the amount corresponding to these surcharges regardless of whether they obtain a grant or financial assistance at some time after the communication.

The notification referred to above will be sent to the institutional email address (.....@alumnes.udl.cat) with which students are provided upon completing registration for their first year of studies. The notification will explain how to obtain the invoice necessary to make the payment due, which will include the corresponding surcharge. The invoice will be valid for two months.

Once the two-month period has elapsed, any student who has not made the payment must request a new payment document from the secretariat of the centre, which will include the corresponding surcharge, depending on the period that has elapsed.

As soon as the University issues a non-payment notification to a student, their registration will be suspended until the corresponding amount is paid.

As a result of this suspension, the student will not be able to make any change to registration, obtain academic certificates, transfer the file, request the qualification certificate or make any new registration, on the same degree or on any other, or carry out any other academic administrative procedures.

**These financial regulations governing registration will apply provided nothing is specified to the contrary in the decree on public prices of the Generalitat (Government) of Catalonia or in other legal regulations.**
